DCS: diversity, freedom and democracy for a healthy society

Berlin, January 29, 2024 - Looking at the recent developments in Germany we as DCS want to reinforce our belief in diversity, freedom and democracy for a healthy society.

At DCS we are committed to fostering a workplace that celebrates diversity, embraces freedom, and upholds the principles of democracy. People of 55 nationalities are the foundation and DNA of our company. We believe that a diverse and inclusive environment not only fuels innovation but is the basis for staying competitive. We actively promote equality, respect, and individual freedoms as this constitutes the basis for a great future.

About Digital Charging Solutions GmbH

Digital Charging Solutions GmbH (DCS) develops digital charging solutions for automotive OEMs and fleet operators, making it one of the key global drivers of the shift to electromobility. DCS' white-label charging solutions enable OEMs and fleet operators to realize their electromobility strategies. With integrated digital solutions, DCS makes charging at charging stations easy, safe, and convenient. In doing so, Digital Charging Solutions GmbH offers access to one of the largest charging networks in Europe with more than 680,000 charging points in 31 markets worldwide and cross-national charging. Since the beginning of 2019, Digital Charging Solutions GmbH has been part of the mobility joint venture of the BMW Group and Daimler AG. In fall 2021, bp became the third shareholder.
