

OUR TEAM IS CURRENTLY LOOKING FOR A PRODUCT MANAGEMENT WORKING STUDENT (F/M/D)

DIGITAL CHARGING SOLUTIONS GMBH

is a joint venture of BMW Group & Daimler AG, that offers start-up feeling with a powerful corporate background. We believe in E-Mobility! And you?

PRODUCT MANAGEMENT WORKING STUDENT (F/M/D) – MUNICH

As part of the Product Management team you will play an important role in developing customer-focused software solutions in collaboration with the world's leading car manufacturers.

RESPONSIBILITIES

- Create new app and web features for the EV market to enhance usability and customer experience of our digital product
- Support the implementation of public charging solutions together with our agile teams
- Act as an interface for translating business/customer requirements into technical specifications
- Support cross-functional team alignments and maintain the product roadmap accordingly
- Assist in continuous process development and support the team proactively

REQUIREMENTS

- Currently enrolled in at least the 2nd half of your bachelor or master studies of Business Administration, Industrial Engineering or Management & Technology
- Strong interest in digital product development
- Tool affinity – Jira and Confluence are a must
- Strong analytical skills and structured way of working
- Self-driven attitude and team mindset
- Fluency in English is a must, German is a plus

We offer a unique opportunity combining the energy of a start-up with an enthusiastic international team within an innovative space.

Excited about shaping the future of E-Mobility services? Then send us your application (CV, cover letter, earliest start date and duration). We are looking forward to hearing from you!
