OUR TEAM IS CURRENTLY LOOKING FOR A E-MOBILITY OPERATIONS MANAGER FLEET (F/M/D)

DIGITAL CHARGING SOLUTIONS GMBH

is a joint venture of BMW Group & Daimler AG, that offers start-up feeling with a powerful corporate background.
We believe in E-Mobility! And you?

E-MOBILITY OPERATIONS MANAGER FLEET (F/M/D) – BERLIN

In this key role you are part of the Operations team and will be responsible for ramping up our new fleet business line. Therefore we are looking for a motivated person who will take the responsibility to drive this significant product to success.

RESPONSIBILITIES

- Build up strong relationships to fleet providers by understanding their needs and requirements related to the fleet business product
- First and second level support for B2B-drivers and B2B-customers
- Support market roll-outs in close cooperation with corporate fleet companies
- Provide subsequent operative assistance for DCS charging fleet services for e-vehicles
- Secure and optimize sustainable processes and structures linked to the fleet business line by collaborating closely with the Market and Product Management team, KAM and Sales departments, as well as DCS external partners
- Coordinate the testing and approve new functions and new customer-frontends
- Manage customer-related fleet processes and suppliers from a technical side

REQUIREMENTS

- Degree in business administration, business or industrial engineering, management, or a related field
- Ideally first professional experience with large corporate fleet companies
- Ability and willingness to develop and innovate customer-focused fleet solutions
- Motivation to work in the E-Mobility environment
- Analytical mindset and structured working style
- Strong communication skills and the ability to cooperate and work in teams
- Fluency in English and German; additional European languages are a plus
- Excellent knowledge of MS Office

We offer a unique opportunity combining the energy of a start-up with an enthusiastic international team within an innovative space.

Excited about shaping the future of E-Mobility services? Then send us your application (CV, motivational statement, earliest starting date and salary expectations). We are looking forward to hearing from you!
